Virtual International Internships
Q&A
Education Abroad at FIU

- Our Office of Education Abroad is here to help you make study abroad a reality for you during your time at FIU.
- More than 1000 FIU students study abroad each year.
- Our numbers have increased 24% since 2013.
WHY a virtual international internship?

• Gain international work experience from home
• Learn both practical and soft skills
• Build global professional network
• Flexible schedule
• Get a mentor/coach
• Reduce financial barriers

The following steps are **ONLY** for students who would like to transfer credits back to FIU. If you would like to do an internship for experience only, you do NOT have to follow these steps, simply apply to the internship.

- **Step 1 - WITH THE INTERNSHIP PROVIDER**
  Apply to the Internship of your choice by going on their website. *Please take their Application Deadline into account.*

- **Step 2 - WITH THE OFFICE OF EDUCATION ABROAD**
  Apply for a Third Party Program Application Approval
  **Deadline: May 2, 2020**
## Third Party Program Approval (TPPA)

<table>
